

# EEA Financial Mechanism 2009-2014

## Ministry of Environment & Energy

### Programme Area

## Integrated Marine and Inland Water Management

Chryssoula Kourteli

Head of the

Executive Authority PA of the Ministry for the Environment and Energy (ex SACEP)

2014

Name of the Programme:

## **GR-02 Integrated Marine and Inland Water Management**

Programme Operator:

### **Special Agency for Coordination of Environmental Projects (SACEP)**

Objective:

### **Good environmental status in European marine and inland waters**

Total budget: **11.188.235 €**

9.510.000 € EEA-Grants (85%)

1.678.235 € National co-financing (15%)

# Outcomes

- **More integrated management of marine and inland water resources**

Three (3) expected **Outputs**, Three (3) **open calls** for proposals  
Total Budget: **6.500.000 €**

- **Improved monitoring of marine waters**

Pre-defined Project: Implementation of an integrated marine monitoring programme

Budget: **2.500.000 €**

Project Promoter: Hellenic Center for Marine Research (HCMR)

- **Increased awareness of and education in integrated marine and inland water management,**

Two (2) expected **Outputs**, operated as “**Small Grant Schemes**”,

Two (2) **open calls** for proposals

Total Budget: **1.500.000 €**

# Outcome I

## Output I - Call 1

### **Water quality improvement projects for drinking or irrigation purposes in islands**

- Budget: 3.500.000 € (min. 500.000 €; max. 3.500.000 €)

*The final documents have been sent for signature*

# Outcome I

## Output II- Call 2

**Studies leading to increased knowledge and awareness on the protection and management of water bodies suffering from environmental problems or biodiversity loss**

- Budget: 1.500.000 € (min. 200.000 €; max. 1.200.000 €)

## Output III- Call 3

**Studies or interventions leading to increased knowledge concerning the integrated marine and islands policy or the protection/management of coastal areas**

- Budget: 1.500.000 € (min. 200.000 €; max. 900.000 €)

*The 2<sup>nd</sup> draft of the texts have been sent to the FMO  
for final approval*

# Outcome II

## Improved monitoring of marine waters

### Output

**Upgrades of existing systems to an integrated marine monitoring programme and coverage of increased area of marine waters**

- Pre-defined Project: Implementation of an integrated marine monitoring programme

*The analytical description of the project has been approved by the FMO:*

*PO is proceeding with the appraisal of the project*

# Outcome III

## Output I

### **Environmental educational programmes in primary and secondary education in the field of water resources**

- Budget: 900.000 €
- Small Grant Scheme Operator : Ministry of Education

*Preparation phase*

# Outcome III

## Output II

**Grants to graduates of higher education in the field of marine and inland water resources management in donor states' institutions or universities**

- Budget: 600.000 €
- Small Grant Scheme Operator: State Scholarships Foundation (IKY)
- [Publication of the call next week](#)

# Publicity - Bilateral Relations

- **Launching-event** to present the Programme to potential applicants
- **Match-making event** to facilitate the search of project partners from the Donor States

*After the publication of all the open calls*

# Risk Management

## Risks

- Delay due to administrative reasons**
- Insufficient participation of applicants in open calls**

## Mitigation Plan

- Reallocation of funds between open calls**

*Thank you*
