Communication is at the heart of the EEA Grants

We all have different roles but we are all part of the same ecosystem!

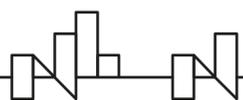

Communication is a mindset.

Good ideas can come from us all!

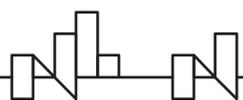

Effective communication relies on clear guidelines.

Clear, non-technical language is a must.

We should build bridges with words, not create distance or misunderstandings.

Use of social media can be engaging. And rewarding.

EØS-midlene is in Athens, Greece.
Published by Emma Kwesiga Lydersen [?] · 3 mins · 🌐

De neste årene skal 1000 mottaksplasser for enslige mindreårige og sårbare asylsøkere opprettes i Hellas med støtte fra #EØSmidlene. Det gis også støtte til integrering. Fem greske organisasjoner skal bygge opp og drifte prosjektet. Norske UDI følger tett opp.

«Prosjektet med innkvartering og støtte til enslige mindreårige asylsøkere og migranter, samt andre sårbare grupper, er en viktig prioritering for Norge i Hellas. Prosjektet bidrar til å dekke et behov som er stort her», sier Norges ambassadør i Hellas Frode Overland Andersen.
